Firm Name :

Address:

BSc undergraduate program at the Industrial Engineering Department of the Middle East Technical University requires two compulsory summer practices throughout its curriculum (IE300 and IE400 courses), each with a minimum of 20 workdays, to be conducted at two separate organizations.

It will be praiseworthy if \_\_\_\_\_, who is an undergraduate student at our department, is given the opportunity to work as a summer practice trainee in your company in order to complete his/her second summer practice (IE400).

Thank you for your cooperation.
